

## Current ARB Regulatory Items Impacting Agriculture

ARB Rulemaking Items Directly Impacting Agriculture			
ARB Rulemaking Items	Description	Contact	Tentative Hearing Date
<a href="#">Off-Road Large Spark-Ignition Engines</a>	Emission reductions from forklifts and other off-road gas/liquefied petroleum gas equipment.	Mobile Source Control Division Analisa Bevan 916-323-8966	January-05
<a href="#">Carl Moyer Memorial Air Quality Standards Attainment Program Guidelines</a>	Update guidelines for the Carl Moyer Program.	Mobile Souce Control Division Lucina Negrete 916-445-6138	March-05
Large Confined Animal Facility Definition	SB 700 requires ARB to adopt a definition for a large CAF by July 1, 2005. ARB is currently developing the definition and emissions factors.	Planning and Technical Support Division Mike FitzGibbon 916-445-6243	June-05
ATCM for In-use Stationary Diesel Ag Engines	ATCM to establish diesel PM emission performance standards for existing stationary diesel agricultural engines.	Stationary Source Division Tony Andreoni 916-324-6021	1st half of 2005
AB 2588 Toxic Hotspots Regulation	Incorporate stationary diesel engines into the AB 2588 Toxic Hotspots Program. Phase 1 is for non-agricultural engines; phase 2 will follow ATCM for In-Use Stationary Diesel Ag Engines.	Planning and Technical Support Division Dale Shimp 916-324-7156	Phase 1. 1st Quarter Phase 2. TBD

TBD=To Be Determined

ARB Rulemaking Items That May Be of Interest to Agriculture			
San Joaquin Valley Ozone SIP	State Implementation Plan for San Joaquin Valley to be considered. Plan for how SJV will attain the ozone standard.	Planning and Technical Support Division Kurt Karperos 916-445-5610	October-04
SB 656 PM Measures	Proposed list of available measures to reduce PM to make progress towards the State ambient air quality standards for PM10 and PM2.5	Planning and Technical Support Division Karen Magliano 916-322-7137	November-04
Alignment of Off-Road Diesel Tier 4 Standards with EPA's Standards	Standards will require the use of PM and NOx exhaust after treatment systems. Regulation will have same standards and phase-in requirements as the federal program.	Mobile Source Control Division Michael Carter 626-575-6632	December-04
<a href="#">Review of Ambient Air Quality Standard for Ozone</a>	Review of the state ozone standard will be formally reviewed under requirements of the Children's Environmental Health Protection Act . The Act requires ARB, in consultation with OEHHA, to review California's air quality standards to ensure they are adequate to protect public health, including children and infants.	Research Division Deborah Drechsler 916-323-1526	December-04
California's Fuel Programs	Workshop to be held to discuss topics including, but not limited to, issues relating to the implementation of the CA Phase 3 Reformulated Gasoline (RFG) specifications, evaluation of potential future revisions to the CA RFG specifications, and consideration of specifications for bio-diesel. In addition, staff will present a regulatory proposal to extend the CARB diesel fuel regulations to intrastate locomotives and commercial harbor craft and technical changes to the CA Phase 3 RFG regulations.	Stationary Source Division Steve Brisby 916-322-6019	September 29, 2004
International Diesel Retrofit Advisory Group	Comprised of members from Europe and ARB, the committee offers technical expertise on diesel particulate matter regulations.	Mobile Source Control Division Annette Hebert 626-575-6973	October 5, 2004
Update the State's On-Road and Off-Road Motor Vehicle Emissions Inventory	The updates are necessary to support the development of the 2007 and 2008 State Implementation Plans (SIPs) for the federal ozone and particulate matter standards. ARB expects to complete the emissions inventory modifications by the end of June 2005 to ensure there is adequate time to complete the SIPs. In addition to motor vehicles, efforts will be made to update other areas of the emissions inventory where the State estimates emissions on a statewide basis. This includes livestock, consumer products, architectural coatings, biogenics, wildfires, pesticides, and other miscellaneous source categories.	Planning and Technical Support Division Robert Fletcher 916-322-5350	Workshops to be held in Early October 2004. One in El Monte, Fresno and Sacramento

## District Regulatory Items Impacting Agriculture

Districts' Rulemaking Items	Rule Action/Revision	Contact		Date
Sac Metro AQMD Rule 412, Stationary Internal Combustion Engines Located at Major Stationary Sources of NOx	Rule will be revised to include agricultural engines.	Ali Mohamad	916-874-4850	Workshop TBA
San Joaquin Valley APCD Rule 4103, Open Burning	Rule implements SB 705 by regulating the burning of diseased crops.	George Heinen	559-230-5800	Workshop September 16, 2004
San Joaquin Valley APCD Rule 4702, Internal Combustion Engines-Phase 2	Rule will be revised to remove agricultural exemption and to include emission limits for compression ignition (diesel) as well as spark-ignited engines.	Saul Gamez	559-230-5803	Workshops August 30, September 10, and September 13, 2004.
South Coast AQMD Rule 223, Permit Requirements for Confined Animal Feeding Operations (CAFOS)	Establish permit requirements for CAFOS. Waiting for ARB definition of large CAFO.	Laki Tisopulos	909-396-3123	Workshop August 31, 2004
South Coast AQMD Rule 461, Gasoline Transfer and Dispensing	Rule will be revised by removing the permit exemption for agricultural sources.	Laki Tisopulos	909-396-3123	Workshop August 31, 2004
South Coast AQMD Rule 1110.1, Emissions from Stationary Internal Combustion Engines	Rule will be revised by removing the permit exemption for agricultural sources.	Laki Tisopulos	909-396-3123	Workshop August 31, 2004
South Coast AQMD Rule 1110.2, Emissions from Gaseous and Liquid Fueled Internal Combustion Engines	Rule will be revised by removing the permit exemption for agricultural sources.	Laki Tisopulos	909-396-3123	Workshop August 31, 2004
<a href="#">South Coast AQMD Rule 1127, Emission Reductions from Livestock Waste</a>	Rule specifies manure removal practices and recordkeeping.	Mary Woods	909-396-3094	Rule Adopted August 6, 2004
San Luis Obispo County APCD	Working as South Central Air Basin Agricultural Coalition to develop Title V screening tools for Title V permit applications due 1/1/05. Will develop agricultural permitting and prohibitory rules in 2005-06 timeframe	David Dixon	805-781-5912	Title V - Dec, 2004 General Ag - 2005-06
Santa Barbara County APCD	See above South Central Air Basin Agricultural Coalition	Brian Shafritz	805-961-8827	Title V - Dec, 2004 General Ag - 2005-06
Ventura County APCD	See above South Central Air Basin Agricultural Coalition	Kerby Zozula	805-645-1420	Title V - Dec, 2004 General Ag - 2005-06
